

# LEARN TO FLY!

*For Fun...  
Or For  
A Career!*

## UTAH VALLEY STATE COLLEGE

### 2 AND 4 YEAR DEGREES

Required for employment by the major airlines. Many business aviation jobs require it as well.

- UVSC distance learning is ranked in the top two aviation 2 and 4 year degree programs.
- Tuition cost is less per credit hour than most other 4 year degree programs.
- Fly new aircraft with state-of-the-art avionics that transfer into the cockpit of larger business or regional airline aircraft.
- Flight training from FAA certified flight instructors
- Full student loan financing, grants, and federal funding are available for college and flight program.
